

## 2022-2023 Subsequent Year Request for a Dependency Override

Student Name: \_\_\_\_\_ UIN: \_\_\_\_\_

Based on the documentation that you submitted to support the special circumstances surrounding your family's situation and inability to provide parental information on your FAFSA, a dependency override was performed. Per Federal regulations, a dependency override may only be valid for one academic year. The student must reaffirm every year thereafter that their family situation remains unchanged in order to process a subsequent year dependency override. Please check the box below that best describes your current family situation, and return this form to the Baker College Financial Aid Processing Center (address below):

- My family situation has changed from last year and I am now able to provide parent information on my FAFSA.

*\*If your family situation has changed, please contact the Financial Aid Office at 989-729-3911 or [financialaid@baker.edu](mailto:financialaid@baker.edu).*

- I reaffirm that my family situation remains unchanged from last year and I am still unable to provide parent information on my FAFSA.

By signing this form, I am certifying that the above information is accurate and I understand this form will become a part of my educational record.
