

# 2022-2023 Parent in College Documentation

You have requested that we include your parent as a student in college on your financial aid application. Federal financial aid regulations require that Baker College collect documentation to verify your parent’s enrollment in college. For the 2022-2023 financial aid year, your parent must be attending at least half-time at an eligible post-secondary institution and enrolled in an eligible program of study. Your parent must be included on your financial aid application as a member in your household. You and your parent **must** complete this form and upload with any required documentation via your Student Financial Aid Portal ([my.baker.edu/financialaidportal](http://my.baker.edu/financialaidportal)). *Note: If you have more than one parent in college, each parent must complete a separate Baker College Parent in College Documentation form.*
